

A special 30 day evaluation program available only through BancSource and the OBA

The same tool used by America's largest banks and retail chains to protect themselves against fraud losses can be yours to try for a full 30 days. At the conclusion of your trial, should wish to purchase the **Fraud Fighter™ Model UV-16** counterfeit detection scanner, which normally retails for \$98, you may do so at the special OBA member price of only \$78. Quantity discounts are also available.

This simple device can be used at the teller window, new accounts desk, and anywhere else in your bank where you need to verify currency, credit cards, driver licenses and a variety of other important items.

Check for security features in:

- Currency
- Checks
- ID Cards
- Credit Cards
- Money Orders
- Driver Licenses

and other important documents!

New Model!

New
Bulb Sensor
Lights tell you
exactly when to
change bulbs.

BancSource
